## Compliance Statement to RoHS Directive (2011/65/EU including amendment (EU) 2015/863) for Semiconductor Products in brand ams and OSRAM

The following Directives and Regulations restrict the use of certain hazardous substances in products and packaging:

- Directive 2011/65/EU (RoHS) including amendment (EU) 2015/863 (see also http://ec.europa.eu/environment/waste/rohs\_eee/legis\_en.htm )
- Directive 2000/53/EC (End-of-life vehicles ELV)
- Directive 94/62/EC (Packaging Directive)
- Regulation (EC) No 1907/2006 (REACh) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals

ams OSRAM declares that:

- the company has installed an internal management system which ensures compliance of our semiconductor products with the applicable legal requirements. This system includes products, parts and materials procured from suppliers,
- all its products conform to the substance requirements of the EU RoHS Directive 2011/65/EU (including amendment (EU) 2015/863),
- products' full material declaration can be referred to for RoHS compliance status of a product.

We continue to monitor our semiconductor products and the supply chain for the requirements posed by the regulations. For other inquiries, please visit our webpage (<u>ams OSRAM Semiconductor Environmental</u> <u>Product Stewardship</u>) or (<u>https://www.osram.com/os/products/rohs-compliance/index.jsp</u>) or contact your respective sales representative for the material declarations of specific semiconductor products.

The information provided in this statement represents our knowledge and belief as of the date that it is provided. We base our knowledge and belief on information provided by third parties and make no representation or warranty as to the accuracy and shall have no liability for the consequences of use of such information. We have taken and continue to take reasonable steps to provide representative and accurate information but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. We and our suppliers consider certain information to be proprietary, and thus CAS numbers and other limited information may not be available for release.
